PHILADELPHIA YOUTH LEADERSHIP CORPS

for rising juniors

PUSH YOURSELF TO THE LIMIT

Take the ultimate challenge as you and a select team of students from your community embark on a 14-day multi-element expedition in and around the Delaware Water Gap National Recreation Area.

YLC Expeditions are designed for high school students who are looking to improve their understanding of leadership, interested in a challenge, and are open to learning skills that will offer the lifelong benefits and perspective that only wilderness travel with Outward Bound can offer.

WHAT TO EXPECT

- Be a leader in service to your community through special projects, reunions, and workshops throughout the year.
- Mastery of skills, trust, fitness, confidence, tenacity, leadership, initiative and compassion.
- Climb, camp, hike, and paddle your way past limits, beyond measure, and into a world of self-discovery.

“"I learned how to be a positive leader, independent, and conquer my greatest fear, being away from home.”

-Alexis Restivo, YLC Alumni
