

CAMPFIRE, MUSIC AND DANCING UNDER THE STARS

The Trailblazer Jamboree is a lively indoor and outdoor fundraiser, embodying all things Outward Bound. Lace up your boots and join us for a magical evening at our lakeside facility with campfire fare, music and dancing under the stars. Our cozy “base camp” will offer respite from the great outdoors, along with entertainment, an exciting auction, and more.

This event presents a unique opportunity to network and mingle more personally – with the warm feeling of camping with friends, making s’mores around a crackling fire, enjoying freshly prepared food and beverages while live music fills the air, and unplugging from the stress of daily life.
